## Timeless Taste of Distinction

*Many years ago, my grandfather, Chet, perfected the recipe that started it all, the recipe for Enstrom's World-Famous Almond Toffee. His toffee was so loved by friends and family that in 1960 Chet founded Enstrom Candies. What started out 50 years ago as a hidden gem in a small town of western Colorado has grown into a world-famous toffee company.*

*A half-century later, our commitment to fellow toffee lovers is still the same: We will remain true to the original hand-crafted quality that has, thanks to all of you, made Enstrom's toffee truly world-famous.*

*If you have enjoyed our toffee before, I invite you to try some of our new items. If you are discovering us for the first time, you are in for a wonderful treat.*

—Jamee Enstrom Simons
